## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Steven, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Steven, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Steven, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

---

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Steven, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

*Your Life Path is 14/5*

---

The key to your personality is freedom. Steven, you love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends

easily; your personality is upbeat and often inspiring attracting people from all walks of life. You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Steven, you are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you. You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Steven, your 14 Life Path contains a Karmic Debt. This 14 Karmic Debt arises from previous lifetimes during which human freedom has been abused. Those with a 14

Karmic Debt are forced to adapt to ever-changing circumstances and unexpected occurrences. There is an acute danger of falling victim to abuse of drugs, alcohol, and overindulgence in sensual pleasures, such as food and sex. You must put the reins on yourself. Modesty in all affairs is crucial to overcoming this Karmic Debt.

Also important is the need to maintain order in life, and to establish one's own emotional stability. You must also be willing to adapt to the unexpected occurrences of life, all the while maintaining your focus on your goals and dreams. Flexibility and adaptability are at the very core of this struggle. Orderliness in one's immediate environment is crucial to maintaining clarity and focus. Mental and emotional stability must be attained in order to avoid being thrown about by the changing fortunes in the external environment.

But the key to the 14 Karmic Debt is commitment. Life will resemble a roller coaster ride, but it will always travel in the right direction if one's heart is set on what is true and good. Set yourself a high goal, maintain order wherever possible in your life, avoid excessive sensory indulgence, and maintain faith. Above all, do not give up on your dreams and goals. Those with the 14 Karmic Debt will experience life to the fullest, and as long as they maintain a high dream, they will achieve success and great spiritual development.

## BIRTHDAY

---

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### *Your Birthday is 18*

---

You are a born leader, an efficient manager, capable of organizing and inspiring others. Steven, you are especially talented in the areas of politics, religion, art, and law. You are highly creative and have an excellent understanding of people.

You are broadminded and should be educated in several different fields, particularly the arts. Many great artists are found under this number.

You tend to be a late bloomer and must be willing to take your time before choosing a profession. You need experience and exposure to many different types of people before you find the one area in which you will specialize.

You can relate to people in all walks of life. Steven, you will do quite a bit of traveling and go through many changes.

At bottom, you have a great dream for humanity. You want to improve the conditions of people, whether they are in your community, state, country, or the world at large.

This is where your deepest satisfaction lies -- with performing some task that will benefit others.

You are able to express your feelings well, though a bit dramatically at times. You have a calm and even aristocratic appearance. However, beneath it there is a sense of frustration with not having received your due in life -- either from parents, co-workers, or your community.

Your challenge is to learn acceptance and forgiveness. There is an element of sacrifice in your life. You need to let go of all negative attachments. Any thoughts of revenge will backfire badly against you. You need to employ your spiritual and philosophical outlook in all matters in which the balance seems to have been struck against you.

You attract money from all work that is service oriented. The more you do for others, the more you receive - - spiritually and materially -- in return.

## EXPRESSION

---

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

*Your Expression is 29/2*

---

Steven, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like

unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Steven, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Steven, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your

extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

## MINOR EXPRESSION

---

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

*Your Minor Expression is 25/7*

---

Your short name stimulates your desire for knowledge. It helps you to specialize and to deepen your understanding of a particular subject. It helps you to focus.

Steven, your Minor Expression number encourages you to accumulate knowledge regarding the mysteries of life. It makes you a more analytical thinker.

You are better able to look below the surface of things. You don't take things at face value.

You may desire more time for private contemplation and meditation. This is a pull to spend more time alone.

## HEART'S DESIRE

---

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### *Your Heart's Desire is 4*

---

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily

become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Steven, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

## MINOR HEART'S DESIRE

---

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

*Your Minor Heart's Desire is 2*

---

Steven, your shortened name has a calming effect on your mind. It makes you more tactful and diplomatic. You are more sensitive and aware with this name. Any musical ability you may have will be enhanced.

You will be more refined and gentle. You could become a little less willing to step into the foreground, or to do things strictly on your own. The 2 is a supportive number and enjoys working with others.

## PERSONALITY

---

Your Personality number is derived from the consonants of your full name at birth.

Your Personality is like a narrow entrance hall to the great room that is your true nature.

It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

*Your Personality is 25/7*

---

Steven, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Steven, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

## MATURITY

---

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

### *Your Maturity is 7*

---

As you mature, Steven, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about.

You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every

subject you study. You are able to analyze abstract questions and live according to your higher ideals.

You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated.

If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

## L/E BRIDGE

---

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

*Your Life Path / Expression Bridge number is 3*

---

Loosen up a bit, Steven. Have some fun; recharge your batteries. Be more generous to yourself. Communicate your deeper feelings without fear to those close to you. Be more creative, particularly in the areas of dancing, writing, acting, or poetry. Develop faith in yourself.

## H/P BRIDGE

---

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

*Your Heart's Desire / Personality Bridge number is 3*

---

Loosen up a bit. Have some fun; recharge your batteries. Be more generous to yourself. Communicate your deeper feelings without fear to those close to you. Be more creative, particularly in the areas of dancing, writing, acting, or poetry. Develop faith in yourself.

## KARMIC LESSONS

---

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

### *You have a Karmic Lesson 6*

---

Steven, you have a major issue with commitment and responsibility to others.

You have a hard time committing to marriage and other important personal relationships. You have to learn to show true emotion.

You may feel isolated and alone, but do not understand why. The reason is that very often you form relationships yet remain heavily guarded, putting up a show of emotion without truly communicating affection or care. This can make the bond between you and others superficial. You must learn to establish sincere relationships.

Steven, you will learn the importance of close friends and lasting relationships. You

will learn to give and, when necessary, sacrifice. This is the one true way to true friendship and lasting love.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### *You have a Karmic Lesson 8*

---

Steven, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

## HIDDEN PASSION

---

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

*Your Hidden Passion is 5*

---

Steven, you love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages, and are generally good with words. Writing, promotion, and public relations work suit you perfectly.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

You are resourceful and original. You have a good sense of humor and a quick tongue.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely.

Steven, you may be interested in too many things, which can make it hard for you to

apply yourself to one area successfully.

You are very unconventional.

Commitment in relationships and your work is fundamental to your happiness. You may have a tendency to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

## PLANES OF EXPRESSION

---

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

## PLANE OF EXPRESSION PHYSICAL

---

### *Your Plane of Expression Physical is 2*

---

Steven, you are highly sensitive and at various times in your life probably suffered from shyness and lack of self-confidence. You may feel vulnerable physically but are quite tough. Your strength is in persistent but gentle effort.

You tend to worry too much. You can suffer from bouts of fear, based largely on your lack of confidence in your own personal power.

You are good at gathering information with a keen eye for detail.

Once you gain some confidence in yourself, you begin to move with a natural grace and sense of rhythm.

## PLANE OF EXPRESSION MENTAL

---

*Your Plane of Expression Mental is 26/8*

---

Steven, you have a great talent as a business person. You can manage large corporations and institutions. You understand how to organize people and direct them toward some larger common goal.

You are highly ambitious and competitive. Money and power are essential to your sense of identity and self- respect.

You must guard against arrogance and superiority. You can be imperious.

You are demanding of yourself and others. You seek excellence in all things and refuse to settle for less.

## PLANE OF EXPRESSION EMOTIONAL

---

*Your Plane of Expression Emotional is 24/6*

---

Steven, you are highly emotional, yet you possess a rare degree of balance to which you can turn. You love family and close friends as few people are able. You worry too much and feel responsible for other people's actions.

You take justice and honesty with extreme seriousness; however, you may be too disciplined.

You have artistic talent. You like to help others more than most, and are willing to sacrifice your own needs. You have an ability for teaching and healing.

You need much love and can give the same in return. You are highly idealistic, and very committed once you decide upon your soul mate.

## PLANE OF EXPRESSION INTUITIVE

---

*Your Plane of Expression Intuitive is 4*

---

Steven, you are traditional and like established procedures. You do not feel comfortable with abstract and unproven ideas. You prefer your ideas to be practical and usable. Your religious beliefs tend to be conventional.

## BALANCE

---

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

*Your Balance is 3*

---

Steven, be more lighthearted and optimistic in your approach to problems. Try to work with others toward a mutually satisfying solution. Use your considerable charm to influence the situation.

You can be extremely emotional when faced with a problem. Try to control this tendency; you need a degree of objectivity. You may become too personally attached to the solution you seek, thus failing to see that the outcome can be beneficial to all concerned.

## RATIONAL THOUGHT

---

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

*Your Rational Thought is 40/4*

---

Steven, you are the practical, methodical thinker. You think things through step by step, and you are almost always well-prepared when others question your reasoning.

You may be a little rigid in your approach and you tend to be uncomfortable with new, unproven ideas. You avoid risks, in favor of established procedures. You have no desire to reinvent the wheel.

Others tend to trust your judgments and value your participation, in particular because you often function as the proverbial rock in rough waters. You are a stabilizing voice when involved in team projects, especially when chaos tends to take over.

## CORNERSTONE

---

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

*Your Cornerstone is S*

---

Steven, you are charming and charismatic. You are a warm and devoted person. You are very emotional, the result perhaps of a sad childhood. You are intense and may react in an extreme manner. Don't be too impulsive; take your time before making a decision and carefully sort out your emotions. You are passionate and loving and will experience many emotional ups and downs.

## SUBCONSCIOUS SELF

---

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

### *Your Subconscious Self is 7*

---

Steven, you can appear indifferent to your surroundings and somewhat aloof. You are well-balanced and can survive many a stormy time. In time of trial, you withdraw within yourself finding solace and answers, in your creative and analytical mind. You may be a bit of a loner and do not easily share your feelings with others.

## CHALLENGES

---

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

### THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your challenge deals with distorted idealism. Steven, your ideals are unrealistically high, making life difficult for you and others. You have a hard time being satisfied with anything you do, or with what others do for you. You lack gratitude. This prevents you from seeing the beauty in your life. You may also suffer from rigid thinking, which keeps you from having a clear perspective that would otherwise awaken you to the many good things you have received.

At bottom, this challenge is about having blinders on. You are unable to see a broader view, which makes you think you have all the answers. This keeps away information and perspectives that would be helpful to you.

Your desire to be of service to others is sincere. However, it may be blocking you from seeing the necessity of working on your own inner development.

Steven, you can be domineering and righteous, often telling others what is right and what is wrong. You often feel a lack of appreciation from others.

There is an opportunity to be of service, to teach and heal, but you will have to achieve a balanced perspective between your idealism and your resistance to personal transformation.

## THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

## *Your Second Challenge is 7*

---

You are highly skeptical of anything that cannot be proven to you. Steven, you are particularly doubtful of anything having to do with spiritual matters. It is, therefore, difficult for you to find a personal philosophy that would give you peace of mind and insight into the purpose of your life.

You repress many of your natural inclinations because they do not fit into your intellectual or rational thinking.

You are in need of the part of your being that you are now repressing: the child within.

All the characteristics that have to do with the irrational and holistic side of life -- spirit, humor, playfulness, and intuition -- are being shut out.

Steven, your challenge is to find some philosophy and, ideally, a community that will give you additional perspectives, and force you to bring out the many other characteristics that are a fundamental part of you. Otherwise, you risk loneliness and isolation.

Steven, you have to learn faith. When you consider that most of life is made up of the invisible world -- thoughts, emotions, insight, and love -- you can begin to appreciate that only a small part of life is within the domain of your senses.

You may have too much pride. You may experience a deep and humbling transformation that will set free the inner being you are keeping trapped within you.

## THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

### *Your Third Challenge is 1*

---

You must learn to be independent. Steven, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Steven, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

## THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

*Your Fourth Challenge is 1*

---

(This Challenge is the same as the Third, as described above.)

## PINNACLES

---

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Steven, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

This is a highly creative period. Steven, your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward.

This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature.

You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past.

All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

This is a challenging period in which you are at a high point of sensitivity and intuition. There is so much going on in your psyche that you can suffer much confusion over direction and identity. On the other hand, there is a wide open channel between the personal consciousness and the higher realms of the unconscious. Steven, you are constantly being inspired and even assaulted by information and insight.

Because of the intensity of these revelations, you must learn to ground your life in faith and a practical vocation that keeps your feet on the ground everyday.

This is a period of enormous spiritual and personal growth. You will come out of it with a highly uncommon clarity and understanding of life. At the same time, it is a period of enormous demands, emotionally and spiritually. Any attachment you might have to specific identity traits -- who you think you are and why you are here, for example -- is constantly challenged.

There is a desire to settle into some field or way of life to attain stability, but the energy of this Pinnacle is not allowing it. It is as if there is a destination, or destiny, to which you are being driven. You do not feel in control of this process. Instead, you are acutely aware of the forces that are shaping your life. You must surrender to them.

Meanwhile, you experience the emotional turmoil that can come with this highly charged period.

There is a definite, even compelling, sense of being different. You are aware of a feeling of receiving special attention from spiritual forces. Your perception of life is somehow more acute than others; you see more clearly and more spiritually due to your high degree of sensitivity. It is as if you have a perfectly accurate peripheral vision, in which everything stands out in sharp relief. At times you may feel that you can see into the souls of things.

At the same time, you may feel like a foreigner to the earth. You are completely impractical. Sometimes you may feel that you do not understand the workings of the physical world. Practical things escape you. You feel awkward and clumsy at times, and are aware perhaps how fluidly other lives are going. This increases your sense of being an outsider.

Steven, more important than all the awkwardness and feelings of being different is the overwhelming sense of having a purpose or a message to reveal that will make other people's lives happier, healthier, and more at peace. You want desperately to bring this out.

The challenge of the 11 Pinnacle is to remain grounded and attached to this dream. You must find practical and useful ways to be of service to others, at the same time developing yourself so that one day you may be able to bring forth that which is within you.

The influences of this period make you highly creative, innovative, and inventive. You have a completely unconventional approach to problems. Trust your intuition, seek harmonious settings to restore your sense of inner peace, and work hard to keep your feet on the ground. This period will bring great rewards on all levels, and with perseverance you will find your rightful place.

### *Your Third Pinnacle (from age 41 until age 49) is 5*

---

This is a period that will teach the realities of freedom and expansion. Steven, you will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher.

Your ability with words is greatly increased. You can write and speak with ease. You

are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs.

Steven, you may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships.

You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love.

Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

*Your Fourth Pinnacle (from age 50) is 5*

---

(This Pinnacle is the same as the Third, as described above.)
